

Digital Image Processing

With a little thought and time, some of your favourite images can become even more special....

By using the

latest digital equipment and software the possibilities for your photographs are endless.

New Service

Your digital Wedding photographs

available on CD or

DVD.

Watch your photographs as a slideshow on your PC or DVD player. Or have your photographs available as small files for use as wallpaper or for e-mailing to family and friends*.

*Image copyright applies, reproduction is prohibited.

CD of images
£20.00

CD/DVD Movie
£30.00

For the ultimate freedom why not consider buying digital files instead of prints?

Images are supplied on CD as high resolution JPEG and TIFF files with reproduction permission allowing you to print as many copies as you like at sizes up to 15" x 10".

Number of Images Ordered (price per image)				
1 - 9	10 - 24	25 - 54	55 - 99	100 +
£8.00	£6.00	£4.00	£3.00	£2.00
